

PMS WEEKLY REPORT

Period Ending on 28 May 1986

Items or Events of Major Interest That Have Occurred During the
Preceding Week:

110
Representatives from Information Management Support Staff,
OL; Procurement Division, OL and Procurement Management Staff,
OL, attended a presentation by WANG on their successor to the
ALLIANCE System called VIRTUAL System or VS. Their VS 65 and VS
85 systems will have TEMPEST versions. WANG was asked to provide
more information on the "WANG-CULLINET connection." This will in
theory provide connectivity to our IBM main frame.)
